## Georgie Batten (MAINS PICTURE PERFECT)

MAINS PICTURE PERFECT was bred by Michelle and Craig Mains out of the beautiful mare MAINS JESSICA - HSH by Jen Meyers stallion DOCS COOL GUN. He was gorgeous and cheeky as a foal. I was lucky enough to have the opportunity to continue his training after being broken in by the Mains. He continues to put 110% into every ride and loves the attention of being in work. Currently training at Elementary we look at continually moving up the levels and improving in every test.

Ollie started his ridden career last year as a 3yr old competing in showing and dressage events. At such a young age Ollie was always versing horses more mature and established. At open events Ollie continues to hold his own even when competing against mature warmbloods in the Dressage world. Some major achievements include placing at the 2019 Winter Festival Dressage Event.

I am incredibly proud of what such a young horse has achieved in his first year of competing and look forward to continuing this journey with him.

## Abby Douch (RAINWOOD PARK MELALEUCA)

We bought a 7yr old Mel in January 2017 – I was coming off a good 13.3hh showhunter/allrounder pony who was always going to be hard to replace. We knew a little about Mel as Sarah Dreverman (my showjumping instructor) and her mum, Sue West, had bought Mel from Bruce Moxey as a youngster and started him in some local ASH classes and then Sarah campaigned him pretty successfully as a showjumper up to about 1.10m. Mel was much, much bigger than what we were looking for but it was plain to see that he was going to look after me if we took it slow and we've never looked back since.

I mainly do show hunter, working hunter, showjumping, interschools and ASH hack classes on Mel. In 2018 we ribboned at Canberra, Sydney and Melbourne Royal shows, Show Horse Council events, EA Show Horse and Showjumping events, State Interschools Championships and represented NSW at National Interschools where we were in the ribbons for Working Hunter and a part of the Pointscore State Show Horse team. We also competed successfully in some dressage and a couple of small One Day Events. Mel is also pretty handy on cattle but we just don't get time to go and do cattle events around our schedule of shows and competitions.

2019 I have had a slow start due to a full fracture of the coccyx in January but we have already had some great ribbons at our local ag shows, Canberra and Sydney Royals, Snowy Mountains Interschool Equestrian competition and very proud to again be representing NSW at National Interschools in September. My goal now with Mel is to consolidate at our next showjumping height and continue to focus on working hunter and ASH classes, keep improving his flatwork and my own riding.

I have to thank my brother Colby and Mum and Dad for all their help, they are both my main instructors. I also Thanks Bruce and Thea for breeding Mel and to Sue West for letting him go to us. But most of all thank you Mel.

## Alena Duncan (HUNTS SURPRISE - HSH)

Alena is nine years old and has been riding her horse HUNTS SURPRISE - HSH for four years. Surprise is an 8yr old Bay mare, who was bred by family friend Lauren Sinderberry (we are quite fond of Lauren and Steve's Stock Horses as we have purchased a further three off her). Alena has been riding since before she could walk. She has competed at the Pony Club Association New South Wales State Championships in Sporting in 2016, 2017, 2018 and 2019 and the Queensland State Championships in 2017. In 2018 and 2019 she won Reserve State Age Champions, was named in the top four overall highest point scorers in the State of all ages and won numerous Championship titles and ribbons. In 2019 they also rode in the Pony Club Association New South Wales State Championships State Mounted Games and Team Sporting, where their team placed 4th in points overall for mounted games and 6th overall for team sporting. In 2017 Alena and Surprise won the Zone 14 champion show riding combination and overall high point champion. In 2018 they again won overall highest point champion, which has only been won two years running once before in the last 45 years.

Alena has had a beautiful bond with Surprise who has taken her to extraordinary heights at such a young age, but she is now taking a break in the paddock as she is due to have her first foal in October.

### Zali Duncan (REMIX SPLASH)

Zali is 12 years old and has been riding her horse REMIX SPLASH, bred by family friends Rick and Erica Mitchell, for seven years, and she is a 13yr old Bay mare. Zali has been riding since before she could walk, but Splash was her first competition horse. They have an incredible bond, to say Zali's life revolves around Splash is no understatement! She enjoys many disciplines, Sporting being her favourite. Competing at the Pony Club Association New South Wales State Championships in 2016, 2017, 2018 and 2019 and the Queensland State Championships in 2017, they have won many championship titles, and overall at this elite level they have placed 3rd, Champion, 3rd, Reserve Champion and Reserve Champion overall respectively and in 2017 and 2019 she was named one of the top four-point scorers in the state of all ages. This year they also competed at the Pony Club Association New South Wales State Mounted Games and Team Sporting which saw their team win many ribbons and were ranked 4th by points in Mounted Games and 6th in Team Sporting. For the last four years, Zali and Splash have won the Zone 14 Champion Sporting combination (which is achieved from fastest overall times of all ages) which is unprecedented in the awards 50-year history.

Splash has been the most exceptional horse for her to have as she has grown up. A very loyal mare, with a wonderful temperament and excellent ability, she is without a doubt Zali's best friend.

### Georgia Holland (CLARKES STUD QUEST and HYLUX TOPAZ)

Georgia's CLARKES STUD QUEST was purchased five years ago and is 24 years young. Quest has done Campdrafting, polocrosse and ASH State Shows. Quest has played National level polocrosse in her younger years.

Georgia's other horse is HYLUX TOPAZ and is owned by Nikki Barndon and Phil Cant of Hylux Performance Horses. She is kindly lent to us in the off season of polocrosse so Georgia can Campdraft her. She is a Novice Campdraft mare and has also competed in 2018 polocrosse Nationals under Nikki.

### Brooke Itel (ROYALLE DOUBLE VISION)

Brooke began riding at around 2 years old after her mother passed away and she became a regular visitor at her Aunt and Uncle Amanda and Paul at Royale Performance Horses.

Brooke lives in Brisbane and is only able to pursue her love of horse on school holidays and on weekends. This has involved lots of highway miles from her Dad (Michel), Amanda and Paul meeting at Gatton McDonald's on a Friday and Sunday nights.

Brooke's results to date are quite amazing seeing she doesn't get to ride much prior to an event, if at all. Some of her major wins have been South Queensland Management Council High Point Rider 8-12yrs for 3 years, riding ROYALLE DECADENCE and ROYALLE DOUBLE VISION. Hi Point ASH Youth Nationals 2016.

In 2018 Brooke discovered Pony Club, she found an interest in the timed events and loved to learn to jump under the instruction of David Finch. With her new mount last year ROYALLE DOUBLE VISION Brooke has won Champion Jumping (open age) High Point for Interschool and Pony Club, she is very proud of taking out Barrel Race Champion at local gymkhanas. Last year she made the trip to Inter-Schools Horse Extravaganza (ISHE) and won and placed in events, she did her first cross country course, she had a clear round but it was too fast, she couldn't stop beaming, she thought it was the most thrilling thing she had done, besides Campdrafting. She competes in dressage, One Day Event, Showjumping, Open Challenges / working classes and has won Campdrafts on her Arab/Riding Pony (who was formerly a State dressage pony). The love and passion she shows toward her horses and events makes it easy for her Dad and Aunt to find the time to enable Brooke to continue doing what she loves.

**Telia Kremer****(KREMERS SUPA SONIC - HSH)**

My name is Teila Kremer, I am 11 years old and I have been riding since I could walk. I enjoy riding and competing Australian Stock Horses with my family. I love KREMERS SUPA SONIC - HSH (Sonic) because he does whatever I ask of him no matter what and always tries his best for me. We love competing in many different events including show riding, jumping, sporting, dressage and team penning, but we love campdrafting and working classes best of all. I am a proud member of the Riverina Branch and look forward to continue enjoying and competing our Australian Stock Horses with my family and friends.

**Siobhan Kurtzer (ASAR ESCORT - HSH)**

My family bought ASAR ESCORT - HSH (who we nicknamed Ellie) two years ago for my mum to use for both competition and leisure. Interestingly we both don't like chestnuts and have never gotten along with mares! But we have fallen totally in love with this chestnut mare. Ellie has proven herself as a more than capable competition horse and we have shown her at local ag shows, Branch shows and at State and National level. Ellie excels in dressage, but also shows her versatility in hacking, working, showjumping and any other event we have had a go at. I am incredibly grateful that my family had the opportunity to buy such an amazing horse and also grateful to my mum for allowing me to borrow Ellie to compete on.

**Shania Madden****(SILVERTHORN SAPPHIRE)**

SILVERTHORN SAPPHIRE is a rising 6yr old mare sired by ima smooth blue cat, out of SILVERTHORN ECLIPSE - HSH bred by Silverthorn Stock Horses.

Throughout Sapphire's training she has proven to be a very versatile athletic horse with a strong competitive streak through her, which has been proven through her stamina, agility, ability, and overall cow sense which has led her to much success in the showing as well as challenges.

I enjoy my time with Sapphire and the success we share, she is a beautiful mare, who I am very thankful for the time we spend together.

## Anastasia Martin (THE ECHO PHANTOM - HSH, THE ECHO POSTMAN AND PALMERS COMEDY- HSH)

While university commitments reduced the opportunities to compete, Anastasia still managed to produce some outstanding results during 2018. Whilst she lent her “funny coloured horse” to her little brother to play polocrosse on and Campdraft, Anastasia still took her turn to win on him. At the Pony Club NSW State Sporting and Campdraft Championships in April, riding PALMERS COMEDY - HSH for the sporting they placed in all seven events, including winning the Flag Race in a cracking final and stealing the blue ribbon in the Diamond Flag from the Queenslanders. Anastasia was awarded Pointscore Champion for the 17-26 years age group, was a member of the Champion Zone team and the Champion State team (defeating Queensland for the title for the first time in seven years). The following day at the Campdrafting Championships Anastasia rode her home bred gelding THE ECHO POSTMAN, aka Decoy, to be Reserve Champion 17-26 years.

THE ECHO PHANTOM - HSH continued to develop and has become a great all-round horse, being pulled in out of the paddock and producing the goods whenever needed. Winning in all disciplines competed in during the year including hacking, sporting and campdrafting.

## Nicole Martin – (MULWARREE CHARM)

MULWARREE CHARM continues to be Nicole's main mount for all events other than polocrosse (CHARM said “no” to polocrosse). Highlights for 2018 include; at the Pony Club NSW State Sporting and Campdrafting Championships in April Nicole finished top five both days, including winning the hotly contested three Mug final and, like her big sister, stealing the blue ribbon away from the Queenslanders in the Diamond Flag. At the Zone 7 Pony Club Jamboree Nicole was a member of the winning Team of four riders 13-25 years. This is the fourth year in a row that Nicole and MULWARREE CHARM have taken home this award (two years under 13yrs and now two years over 13yrs). They were also age champion, members of the winning Pointscore Team of four, and won 2nd of the six fastest sporting times of the day.

During 2018 Nicole commenced competing in the Tetrathalons – this relatively new discipline combines the four phases of running, swimming, shooting and showjumping. Nicole is currently long listed for the Pony Club National Championships for this event.

## Clancy Martin (PALMERS COMEDY - HSH and MULWARREE CHARM)

2018 was a big polocrosse year for Clancy and PALMERS COMEDY - HSH. His first carnival of the season was the Australian Junior Polocrosse Classic at Albury where Clancy was selected to play in the first NSW Junior Mixed team. Playing against Queensland, Victoria, Western Australia, South Africa and the second NSW side, Clancy's team were undefeated at the carnival. Along with the Winners rug, Clancy was awarded Best Male No 3 and PALMERS COMEDY - HSH Best ASH played by a male. From there it was off to Warwick to play in the NSW Junior Boys team for the Interstate series against Queensland. The team claimed three wins from three games. The biggest achievement for the year came in July when Clancy was selected by the Polocrosse Association of Australia to play in the green and gold. A squad of eight girls and eight boys, from five different states, were selected to play a three game series against each other at a Polocrosse Association of Australia tournament. Clancy's team won this close fought series. Clancy finished off the season by being selected to play at the Australian Polocrosse National Championships in the NSW Junior Boys team. The championships were held in Perth Western Australia in October. Clancy made the long journey across the Nullabor with his family and horses and returned home with the winners prize – again his team were undefeated at the week long competition.

During the summer months Clancy also attended a few campdrafts, riding both PALMERS COMEDY - HSH and MULWARREE CHARM for some very impressive results. Clancy again qualified for the ABCRA National Finals Campdraft.

## Lachlan Sansom (MILLBROOK CASCADE)

My name is Lachlan Sansom, I am 11 years old and I live in Gloucester New South Wales.

This year I was lucky enough to get runner up National Stock Horse Junior Campdraft on one of my mares MILLBROOK CASCADE (Cass), she is a 16yr old ASH. I took Cass to the ABCRA National Finals this year and last year. We have competed together at a lot of campdrafts, have done sporting on her and Stock Horse challenges. I enjoy doing all of these events on her and also mustering on her at home.

## Joe Wamsley (LULUS GIFT - HSH)

Joe and LULUS GIFT - HSH have had great success in the 2018 Polocrosse season. They started off representing New South Wales in the Under 21 Men's Team at Barastoc, coming away Runners up.

Quirindi Carnival was a huge weekend of Polocrosse for Joe and Gift playing in the A Grade Men's final against Gulgong although they lost the final by one goal. Joe and Gift won Best No 3 and Overall Champion Horse of the Carnival.

The Bunnan A Grade Men's Team had a awesome Club Championships winning the Championship Men's competition for the first time.

Joe and Gift finished off the season travelling to Perth for the Australian Polocrosse Nationals as part of the NSW Under 21 Men's Team. Playing alongside his younger brother Mitch the NSW boys were undefeated all Nationals which was an amazing result for the team.

## Victoria Wythes (BANDALENE TRUMAN)

Victoria has been paired with BANDALENE TRUMAN for the past two years. During this time, they have competed in nearly every discipline available, ranging from wins and placings in dressage, working ASH classes, hack ASH classes, showing, showjumping, one day eventing, sporting events and team penning. It is true that the Australian Stock Horse is a versatile breed. Victoria has been known to complete a sporting event, change saddles and go straight into the dressage arena without any hesitation, and complete a faultless test. Looking forward Victoria wishes to continue to progress up the grades and continue to enjoy competing with friends across the state in many disciplines.
