Publication Conditions
Every care is taken to accurately reproduce advertisements supplied for publication. However, no responsibility will be accepted by the Society for late publication of material or for errors made by contributors. Opinions expressed by contributors are their own, and are not necessarily those of the Society. The right is reserved to edit contributions to suit the style of the Journal, or to fit the available space. Advertisements are accepted by email, fax, mail, or by phone (followed by confirmation in writing) and are subject to the following conditions; no guarantee is given regarding the positioning of advertisements, unless booking a special position such as Back Cover (if available), has been paid. The contributors disclaim all responsibility and liability for errors in advertising material or for the subsequent effects. However, if brought to our attention before closing dates for advertisements in any publication, errors MADE BY US in advertisements will be adjusted. If the Journal Department does not receive new artwork prior to the Issue deadline, it is understood and agreed that the last advertisement supplied shall be repeated.
