MOVEMENTS & TRANSITIONS

WALK A four beat pace with regular rhythm. Light rein contact and soft frame

WALK on loose rein. Horse stretching down fully relaxed with low contact

TROT A two beat diagonal pace with regular rhythm

LENGTHENED TROT Stride lengthened maintaining rhythm

CANTER A three beat pace with regular rhythm. No running

LENGTHENED CANTER Lengthen stride through riders seat

HAND GALLOP Riders seat out of saddle

GALLOP Maximum speed in accordance with conditions, with total control. The pace becoming a four beat as the diagonals split

HALT Coming down through transitions. Not abrupt but obedient

STOP An immediate cessation of forward movement where a horse will elevate slightly in front prior to engaging hindquarters to come to a controlled yet complete stop in short distance

REIN BACK Two time diagonal movement, even rhythm for required number of steps

SIMPLE CHANGE WALK THROUGH Through the walk, horse obtains true flat walk. Calm smooth and straight to upward transition

SIMPLE CHANGE Through the trot, canter down to trot for two or three well defined trot steps

FLYING CHANGE Change of leads at canter in a single stride in the air, calmly, smooth and straight, in both front and hind legs

CIRCLES A horse must bend its body and flex its neck to follow the line of the circle, i.e. look where it is going and be balanced

ROLL BACK The horse comes to a complete stop engaging both hind legs, only then does the horse turn 180 degree over its hocks, moving out on the same line as it entered

HAUNCH TURN Are turns in motion where the energy of the horse is not stopped but is redirected in the opposite direction. The horse commences to turn before it ceases forward motion taking most of the weight on the inside hind leg which becomes the pivot point for the body while the other legs propel the horse with forward impulsion in the intended direction.

SPIN A movement of 360 degrees or more with the inside hind foot pivoting on the same spot

WORKING Horse should show athletic ability, with obedient attitude towards accurate pattern execution. The horse should be light on his feet, correct in his paces and no resistance to the bit. All gallop work asked must be executed (subject to ground conditions)

HACK Should be obedient and accurate, showing good quality of type and presentation. Have 4 correct paces

ALL Horses should be worked around the ring and be seen to perform in both directions by the Judge prior to final selection

Variation of Non Executed Movements

JIG JOGGING Horse above bit and not relaxed

TROT should be balanced with horse tracking straight, not on 2 tracks or short in rhythm with running steps

LENGTH OF TROT Horse increasing the speed of trot, or shortening step to running

THE CANTER Should not be on the forehand, four beating or running

GALLOP Insufficient increase of pace thus not achieving four beat. Not maintaining sufficient control

HALT Being too abrupt and not coming smoothly through all transitions

STOP Resistance and horse refusal of any kind or stopping on front legs. Horse lifting front legs off ground

REIN BACK Resistance against the bit, hurried or not straight

BIT ACCEPTANCE Horse should not refuse to be ridden into compliant contact. Tongue should not be over the bit or behind the bit

HEAD CARRIAGE Should not be above bit, being adversely forward of the vertical NOR jammed in behind vertical.

LEAD CHANGES not executed on a straight line axis. Hurried and thrown through transition.

CANTER LEAD ERROR– Wrong lead, Disunited cross – firing, Cow like travel – No canter.

CIRCLES incorrect bend i.e. dropping shoulder horse not flexed i.e. looking out of circle therefore circle cannot round

ROLL BACK No completed stop

HAUNCH TURN Loss of momentum into or out of movement

SPIN Horse on front legs, inside hind leg not holding position

PATTERN ACCURACY Rider not familiar with pattern. Failure to ride to markers, results in loss of points, as this displays cheating, lack of rider control, horse over anticipation. Each movement and pattern must be ridden to the stated shape, size and pace as defined in Handbook

TAIL TURN All turns to be directed towards the Judge

FALL A fall of horse or rider during a workout will result in disqualification

IMPORTANT POINTS TO NOTE

- Please refer to the ASHS Events Handbook for all Rules and Regulations.
- Patterns may be adapted at the discretion of the Judge according to local conditions.
- Patterns may be Judged in their entirety for a single total score **OR** each transition and movement can be scored separately for a total score.
- A fall of horse or rider during a workout will result in disqualification.
- Failure to follow the pattern will result in a loss of points or disqualification.
- At the Judges discretion, a horse deemed to be out of control should be disqualified.
- ASHS Dressage Tests are available from Head Office.
- Stallions and Colts to be handled and or ridden only by adults 18 years and over.
- Competitors under 18 years of age must wear an equestrian helmet approved by the current Australian Standards Association.

CONDITIONS OF ENTRY FOR HORSES

To be eligible to compete in events restricted to Registered Australian Stock Horses or eligible to obtain prizes for Registered Australian Stock Horses, the horse must be considered Competition Eligible with the Society as follows:

- The horse must be a Registered Australian Stock Horse.
- The owner/lessee must be a Financial Member of the Society.

The horse is NOT considered Competition Eligible in the following circumstances:

- The horse is a Foal Recorded Australian Stock Horse.
- The horse has been accepted for registration as Breeding Purposes Only.
- The horse's registration has been SUSPENDED, as the owner or lessee of the horse is an unfinancial or non-member of the Society.
- The owner or lessee of the horse is a Participant, Subscriber, Temporary or Cancelled Member of the Society.

All events conducted by a National Committee or a Management Council are reserved for Competition Eligible Registered Australian Stock Horses.

Unless stipulated otherwise, events conducted by Branches are reserved for Registered Australian Stock Horses. Branches may seek approval for events 'not ASH restricted' as follows:

- Providing the activity is approved in advance by the Society, Branches may conduct activities or events (not breed shows), which allow horses not registered with The Australian Stock Horse Society to compete. Such events must be clearly indicated on the programme as 'not ASH restricted' and prizes must be available for the highest scoring ASH in the event.
- The rider and/or handler in such events must be a Financial, Competition Eligible Member of the Society.
- Registered Australian Stock Horses must be entered under their registered name, not their stable name.
- Registered Australian Stock Horses must be entered under the name of the membership listed on the Society records as having ownership, being the registered owner or lessee.
- Proof of registration and current membership card must be produced when requested.

CONDITIONS OF ENTRY FOR RIDERS AND HANDLERS

To be eligible to compete in events and activities conducted by the Society or Licensed Affiliates (Branches and Management Councils), the rider and/or handler of the horse must be considered Competition Eligible with the Society as follows:

- The individual must be a Financial Member of the Society.
- In relation to memberships involving more than one individual (ie, a partnership, a family group, a company or a corporation), only the Nominee of the membership is eligible to compete or take part in Society events and activities. Further individuals under the membership who wish to participate in ASH events or activities will need to take out a Participant or Temporary Membership.
- Proof of current, Competition Eligible membership card or temporary membership must be produced when requested.
- Competitors under 18 years of age must wear an equestrian helmet approved by the current Australian Standards Association, which must be securely fastened under the chin when mounted anywhere within the perimeter of the grounds, including all public areas, as well as in led and handler events. Youth Judging Competitions are optional or at the discretion of the organising committee.

The individual is NOT considered to be Competition Eligible in the following circumstances:

- The membership has been cancelled or suspended.
- The type of membership does not indicate the right to compete, ie, Subscriber Membership.
- At events and activities conducted by Branches, riders and/or handlers who are unfinancial or non-members of the Society may apply for a Temporary Membership.
- Temporary Membership entitles an individual (regardless of age) to participate in a single Branch show, activity or programme.
- Temporary Membership is not available at events or activities conducted by a National Committee or a Management Council.

Riders and/or handlers participating in Registered Australian Stock Horse events conducted by other Associations are subject to the Society's rules, the rules of the Association in which the Committee is affiliated and the rules of the Organising Committee. In certain circumstances, where there are conflicts between the rules of the Society and another Association, the rules of the Association and/or the Organising Committee will take precedence, as below:

- The Organising Committee may stipulate that the rider and/or handler must be a Financial, Competition Eligible Member of The Australian Stock Horse Society Limited.
- The Organising Committee may stipulate that the rider and/or handler must be a member of the Association in which the Committee is affiliated.
- The Organising Committee may stipulate that the rider and/or handler must wear an equestrian helmet approved by the current Australian Standards Association.

RESPONSIBILITIES OF THE RIDER/ HANDLER

- The rider/handler is the person responsible for the control of the horse.
- The rider/handler agrees to abide by the Rules and Regulations as well as the Code of Conduct of the Society, and acknowledges that the Society assumes no liability or responsibility for accidents incurred to horses, riders or handlers during the running of the event.
- All mounted personnel participating in events and activities conducted by the Society or events conducted by other organisations which are restricted to Registered Australian Stock Horses, must remain seated in the centre of the saddle at all times, facing in the same direction as the horse, with rider's the left leg on the near side of the horse and the rider's right leg on the off side of the horse unless competing in a disability class or recognised side saddle event.
- At no time should a horse carry more than one rider or individual whilst at any fixture conducted by the Society or a Licensed Affiliate (Branch or Management Council).
- When adjusting gear, the rider should dismount to make the necessary adjustments.
- When riding a stallion, the rider must be over 18 years and always maintain control of the horse and have contact with the horse's mouth.

COMPLAINTS AND PROTESTS

- Any competitor or exhibitor may lodge a complaint in writing to the secretary of the show committee within 30 minutes of the completion of an event.
- The complaint must be accompanied by a fee, set by the organising committee, and is refundable if the protest is upheld.
- The complaint shall be heard by the committee conducting the show and may be dealt with as such committee may direct.
- The show committee conducting the event will deal with problems involving questions arising at a show not specifically covered by the rules and regulations of the Society.

Complaints concerning Australian Stock Horse Accredited Judges.

A protest concerning an ASHS Judge may be made to the National Judges Panel (NJP) of the Society by an exhibitor, an agent, a rider, a handler, a trainer or a parent of a junior exhibitor (defined as a person who has not reached his 18th birthday) for any breach of the Judging Agreement. It must be:

- In writing
- Signed by the protestor
- Addressed to the Chairperson of the NJP.
- Received by the Society with seven (7) days of the alleged breach.

A protest must state the full name of the Judge, the subject of the protest or charge and contain a complete and definitive statement of the acts which constitute the alleged breach – precise details are necessary. The maker must be prepared to substantiate the protest or charge by personal testimony at a hearing or by sworn statements, witness or other evidence.

Non-Protestable Decisions

- A defect in conformation or action of a horse, when determined by an official veterinarian of the show/event is not protestable.
- A Judge's opinion where a horse appears to have a defect in conformation or action is not protestable.
- The Judge's decision representing his individual preference is not protestable unless it is alleged to be in breach of the Society's Rules and Regulations (refer to Events Handbook).
- The Judge's decision made under the relevant Show Rules is not protestable.
- A protest with respect to the height of a horse may only be made to the Show Committee. The decision of the Show Committee shall not be reversible by the Society.

Breaches

A breach is any act prejudicial to the best interest of the Judging Panel, including but not limited to the following:

- Breaches to the Society's Regulations, Codes of Conduct and conditions of the Judging Agreement.
- Breach of the Society's Rules and Regulations (refer to Events Handbook).
- Acting or inciting or permitting any other person to act in a manner contrary to the regulations and conditions of the Judging Agreement.
- Failure of the Judge to perform his duties at a show in accordance with the regulations and conditions of the Judging Agreement or those conditions agreed with the Show Committee at the time of accepting the invitation to judge.

COMPETITIVE STATUS

Competitive status for all stock horse events

MAIDEN HORSE – A maiden horse ceases to be a maiden when it has won an event except wins in restricted age events (see below). A horse may win a restricted age event ie 3 years and under, without affecting its status.

NOVICE HORSE – A novice horse ceases to be a novice when it has won 3 novice events or an open event. A restricted age event does not affect the competitive status of a horse.

OPEN HORSE – An open horse is a horse which has won three novice events or an open event. NOTE: Any horse which wins an event above its status cannot go back in status.

PLACING OF AWARDS AND RIBBONS

Horses should be lined up in order of placings from the right with ample space between for the Judge to walk. In led classes the Judge may line the horses up head to tail with sufficient space between. Stewards should always ensure that horses standing in the ring are well spaced.

The Australian Stock Horse Society has adopted the following colour codes for ribbons and sashes in events:

Placings

1st – Blue	5th – Green	9th – Orange
2nd – Red	6th – Brown	10th – Pink
3rd – White	7th – Black	
4th – Yellow	8th – Purple	

Championships

Champion – Red, white and blue, Reserve Champion – Green
Supreme Champion – Purple

GENERAL PRESENTATION

Presentation of horse as follows:

- The horse, at the very least, should be clean.
- The horse's chin, ears, legs, mane and tail should be trimmed or be neatly presented.
- In Led, Hack and Dressage classes, bandages and boots are not permitted.
- False tails are permitted.
- Protective leg gear permitted in Working and Cattle events only.

Presentation of tack as follows:

- Tack does not have to be new or extremely expensive. Older tack, well cared for, usually looks and fits better.
- Ensure that the tack is correctly fitted and does not rub or disturb the horse.
- Make sure the tack used is suitable for the event.
- In Led classes, a show whip is permitted and must not exceed one metre in length. In Working classes, a riding whip is not permitted.

Presentation of handler or rider as follows:

- The handler or rider's attire should be neat – understated dress always gives a more professional appearance. The handler or rider who conveys a neat, workmanlike impression will probably score higher in the Judge's initial mental assessment than that of a less tidy or flamboyant combination.
- The handler or rider's attire should be suitable for the type of class in which the combination is competing.
- Jewellery is out of place in the show ring and can be dangerous. If you must wear earrings, the tiniest of plain, discreet studs only are suitable.
- The handler/rider should have neat and tidy hair.
- When competing in Led ASH and ASH Hack classes, the horse and handler/rider may be presented in either the Australian

Stock Horse style or the English style, unless stipulated otherwise on the programme. In Working ASH classes, the horse and rider must be presented in the Australian Stock Horse style.

JUDGING PROCEDURE

- Judging begins when the horses are led into the ring. As the horses are being led into the ring the Judge stands back far enough to get an overall view of the horses entering. This allows an immediate assessment of the horses to be judged.
- The horses should be worked around the ring as directed by the Judge. Competitors should avoid bunching in a group, so the Judge can see all the horses competing. A large class should be led on the circle for the Judge to select horses for an individual workout
- When the Judge has called competitors into the ring, they should form an orderly line from the right, leaving sufficient space between each horse so that the Judge can walk freely between the horses. No competitor should talk while waiting in the ring.
- Horses are inspected closely for soundness and overall conformation. The front and back legs should be observed while the horses are in motion.
- Judge should observe the action and behavior of the horse.
- Upon completion of all workouts the Judge will place the horses in order of merit.

Notes for judges

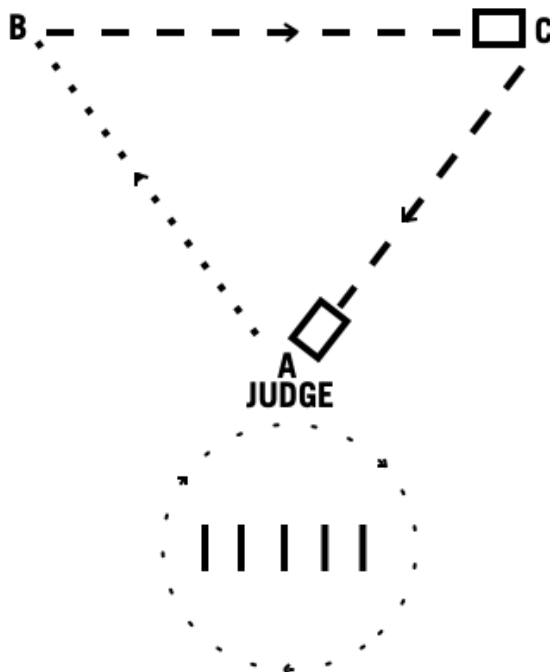

- A Judge must know all the external points of a horse and have a good understanding of the characteristics that define the ASH Standard of Excellence.
- A Judge must know how a horse with excellent conformation should look and develop a mental image of the ideal ASH. The ability to judge will improve if you can compare the horse you see with the ideal image you have fixed in your mind.
- The Judge should be able to recognise any conformation faults of a horse, including straightness of legs, length of bones, angles of joints, desired muscling, length of neck and back and overall balance.
- Allowances should be made for minor blemishes due to previous injuries.
- Horses showing conformation faults in Led ASH classes should score lower in the Judge's mental assessment, ie, splay-footed, knock-kneed, narrow front, base wide, bow-kneed, calf kneed, cow hocked, pastern too straight, straight shoulder, ringbone, and the like.
- The horse's movement should be rhythmical while moving in a straight line. Horses showing movement faults should score lower in the Judge's assessment, ie, brushes legs, paddles, stringhalt, short stride, stiff action, etc.
- The Judge may ask a competitor to leave the ring if their horse has been found to be uneven in movement or becomes unruly at any stage or is dangerous to other competitors. The horse should not buck, bite, kick or refuse to comply.
- The horse should be relaxed and not show signs of nervousness. Young horses may show some signs of tension when taken to initial outings – anxiety, jumpy, pawing, whinnying, etc.
