LED

Horses in Led ASH classes are assessed on their type (the Standard of Excellence), conformation, movement, temperament and presentation.

The horse should show the qualities and type that define the breed (the Standard of Excellence).

The horse's body should be balanced in accordance with the size of the horse, and it should possess a calm temperament and a good nature.

The objectives of Led ASH classes are to provide opportunities for Members who currently own or breed Australian Stock Horses, to compare their horse's type, conformation, temperament and movement, as well as good horsemanship and showmanship skills.

The aim of Led ASH classes is to promote the Breed through striving to uphold and maintain the Standard of Excellence, which each horse should be assessed against.

The Led Scoring System has been adopted to give a breakdown of points allocated for a total score out of 100.

The Scoring System can be used in any Led class, but it is most important that it be used in Futurity and Challenge events including a Led section.

Progressive Judging System	
1	Every horse to be Judged individually. Horses enter the ring in single file and walk in a clockwise direction of the Judge for an overview.
2	All horses will form a line behind ring with first horse on marker A. At Judges instruction the horse is walked straight to the Judge and stops at marker B, to be stood and presented to the Judge for closer inspection.
3	The horse will be walked away from Judge to marker C and trot straight toward marker D, turn right and continue in large half circle at trot to join the back of the line.
4	Each horse will progressively move forward to marker A and wait Judges instruction.
5	At completion of the last horse to work, the horses should already be in a line nose to tail in profile for Judges final inspection and selection.
Consideration will be given to Type, Conformation, Movement, Temperament & Presentation as per the Led Scoring System.
